Dosinia sp.

Praire
Verrus verrucosa

Coquille St Jacques
Pecten maximus

Goémon noir
Ascophyllum nodosum

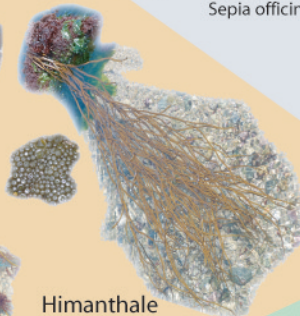

ALGUES BRUNES

Laminaire digitée
Laminaria digitata

Cystoseire
Cystoseira tamariscifolia

Himanthale
Himantalia elongata

PLANTES A FLEURS

Zostère
Zostera marina

Littorine
Littorina obtusata

Palourde
Tapes decussatus

Patelle commune
Patella vulgata

Coque
Cerastoderma edule

Bigorneau noir
Littorina littorea

Helcion
Helcion pellucidum

Chiton
Acanthochitona sp.

MOLLUSQUES

Crépidule
Crepidula fornicata

Telline
Angulus sp.

Moule
Mytilus sp.

Nasse réticulée
Nassarius reticulatus

Pourpre
Nucella lapillus

Couteau
Solen marginatus

Troque ombiliquée
Gibbula umbilicalis

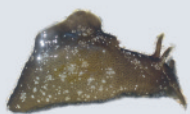

Lutrale
Lutraria lutraria

Seiche
Sepia officinalis

Troque jujube
Calliostoma zizyphinum

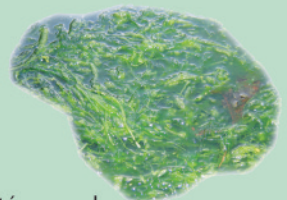

Lièvre de mer
Aplysia punctata

Laitue de mer
Ulva lactuca

ALGUES VERTES

Entéromorphe
Enteromorpha intestinalis

Tailles non proportionnelles
